excerpt from sketches of travel or twelve months in europe writing a book is one of the last things i ever contemplated and it was not until nearly a year after our return from europe that i even thought of penning for weekly publication this running account of our pleasant trip otherwise i should have taken much fuller notes and have had to depend less upon my memory and books of reference in all essential particulars what i have taken from other writers is indicated by quotation marks i have never set up any claim to literary merit i make no such claim now i have not strained after originality but have only sought to give a plain unpretending sketch of our travels it takes now the form of a book on the advice and expressed desire of many friends i hope it may prove fortunate about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the

aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

travel and sketch diaries tell us something about the experience gained through searching for the other and for oneself

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

explorers described their expeditions with detailed illustrated maps commentaries and notebooks in this fast paced world we need to slow down see and record what s happening around us this charming book will show you how

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

caught between travel guides and artists books the travel diary has swung between a journalistic documentary style and visual expression this book illustrates the great scientific and journalistic adventures in history from the egyptian campaign to the war in iraq while describing the artistic techniques and contemporary trends in travel sketchbooks

containing more than 600 entries this valuable resource presents all aspects of travel writing there are entries on places and routes afghanistan black sea egypt gobi desert hawaii himalayas italy northwest passage samarkand silk route timbuktu writers isabella bird ibn battuta bruce chatwin gustave flaubert mary kingsley walter raleigh wilfrid thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks new world chronicles postcards companies and societies east india company royal geographical society society of dilettanti and issues and themes censorship exile orientalism and tourism for a full list of entries and contributors a generous selection of sample entries and more visit the literature of travel and exploration an encyclopedia website

first published in 1961 early midwestern travel narratives records and describes first person records of journeys in the frontier and early settlement periods which survive in both manuscript and print geographically it deals with the states once part of the old northwest territory ohio indiana michigan

illinois wisconsin and minnesota and with missouri iowa kansas and nebraska robert hubach arranged the narratives in chronological order and makes the distinction among diaries private records with contemporaneously dated entries journals non private records with contemporaneously dated entries and accounts which are of more literary descriptive nature early midwestern travel narratives remains to this day a unique comprehensive work that fills a long existing need for a bibliography summary and interpretation of these early midwestern travel narratives

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
