specifically designed for use on a range of undergraduate and graduate courses introducing japanese popular culture is a

comprehensive textbook offering an up to date overview of a wide variety of media forms it uses particular case studies as a way into examining the broader themes in japanese culture and provides a thorough analysis of the historical and contemporary trends that have shaped artistic production as well as politics society and economics as a result more than being a time capsule of influential trends this book teaches enduring lessons about how popular culture reflects the societies that produce and consume it with contributions from an international team of scholars representing a range of disciplines from history and anthropology to art history and media studies the book's sections include television videogames music popular cinema anime manga popular literature fashion contemporary art written in an accessible style by a stellar line up of international contributors this textbook will be essential reading for students of japanese culture and society asian media and popular culture and asian studies in general

alphabetically arranged list of popular japanese cultural icons

addresses the american experience with the japanese pop culture craze including anime from hayao miyazaki's epics to the burgeoning world of hentai or violent pornographic anime to haruki murakami's fiction

the untold story of how japan became a cultural superpower through the fantastic inventions that captured and transformed the world's imagination a masterful book driven by deep research new insights and powerful storytelling w david marx author of *ametora* how japan saved american style japan is the forge of the world's fantasies karaoke and the walkman manga and anime pac man and pokémon online imageboards and emojis but as japan media veteran matt alt proves in this brilliant investigation these novelties did more than entertain they paved the way for our perplexing modern lives in the 1970s and 80s japan seemed to exist in some near future gliding on the superior technology of sony and toyota then a catastrophic 1990 stock market crash ushered in the lost decades of deep recession and social dysfunction the end of the boom should have plunged japan into irrelevance but that's precisely when its cultural clout soared when once again japan got to the future a little ahead of the rest of us hello kitty the nintendo entertainment system and multimedia empires like dragon ball z were more than marketing hits artfully packaged dangerously cute and dizzyingly fun these products gave us new tools for coping with trying times they also transformed

us as we consumed them connecting as well as isolating us in new ways opening vistas of imagination and pathways to revolution through the stories of an indelible group of artists geniuses and oddballs pure invention reveals how japan s pop media complex remade global culture

the phenomenon of cool japan is one of the distinctive features of global popular culture of the millennial age a history of popular culture in japan provides the first historical and analytical overview of popular culture in japan from its origins in the 17th century to the present day using it to explore broader themes of conflict power and meaning in japanese history e taylor atkins shows how japan was one of the earliest sites for the development of mass produced market oriented cultural products consumed by urban middle and working classes from traditional monochrome ink painting court literature and poetry to anime manga and j pop popular culture was pivotal in the rise of japanese nationalism imperialism militarism and economic development and to the present day plays a central role in japanese identity with updated historiography throughout this fully revised second edition features a new chapter on popular culture in the edo period an expanded section on pre tokugawa culture more discussion on recent pop culture phenomena such as tv game shows cuteness and j pop 10 new images a new glossary of terms including kanji this improved edition is a vital resource for students of japanese cultural history wishing to gain a deeper understanding of japan s contributions to global cultural heritage

japan is an island nation replete with densely populated cities the power of ancient imperialism still looming large thousands of temples and shrines mountains volcanoes samurais and more for some time japan was a powerful empire backed by her military and industrial strength like all things in the world the empire withered over time and for various reasons but that did not stop the country from retaining its powers the country simply shifted its gaze on the world horizon from military and industrialization to something far more potent than economics and arms popular culture its territorial powers are now evident in almost living room through the television and in everyone s ears through their headphones look at the way icons from popular japanese culture have invaded the western world right from movies to manga to highly entertaining and popular cartoon characters to music to anime

japanese pop culture has contributed significantly to the world pop culture especially the western world and it is not just western kids who are fascinated by the popular culture offered by japan many of the anime series of japanese pop culture are aimed as much at adults as at children gory violent and yet gripping only japan s creative minds can convert comics or manga written in their language into something that adults would get addicted to this book traces the history of japanese pop culture through the following elements movies tv shows anime and manga and their impact on the western world

dolores martinez heads an international team of scholars in this lively discussion of japanese popular culture the book s contributors include japanese as well as british icelandic and north american writers offering a diversity of views of what japanese popular culture is and how it is best approached and understood they bring an anthropological perspective to a broad range of topics including sumo karaoke manga vampires women s magazines soccer and morning television through these topics many of which have never previously been addressed by scholars the contributors also explore several deeper themes the construction of gender in japan the impact of globalisation and modern consumerism and the rapidly shifting boundaries of japanese culture and identity this innovative study will appeal to those interested in japanese culture sociology and cultural anthropology

a fascinating illustrated look at various forms of japanese popular culture pop song jazz enka a popular ballad genre of music karaoke comics animated cartoons video games television dramas films and idols teenage singers and actors as pop culture not only entertains but is also a reflection of society the book is also about japan itself its similarities and differences with the rest of the world and how japan is changing the book features 32 pages of manga plus 50 additional photos illustrations and shorter comic samples

postwar japanese pop culture has been extraordinarily fertile vibrant and commercially successful manga japan s unique contribution to comic art became a major force in the nation s cultural life as did japanese music and movies this book has more articles about people than products because the author wanted to bring the individual faces of japanese pop culture into sharp focus in choosing subjects he used objective criteria most sales longest run highest ratings but often the choice to include a subject

came down to his own feeling about what was important and what was not contains more than 70 in depth entries covering japanese pop culture since 1945 in the areas of music movies comedy fads popular media and much more

the walkman karaoke pikachu pac man akira emoji we ve all fallen in love with one or another of japan s pop culture creations from the techy to the wild to the super kawaii but as japanese media veteran matt alt proves in this brilliant investigation of tokyo s pop fantasy complex we don t know the half of it japan s toys gadgets and fantasy worlds didn t merely entertain they profoundly transformed the way we live in the 1970s and 80s japan seemed to exist in some near future soaring on the superior technology of sony and toyota while the west struggled to catch up then a catastrophic 1990 stock market crash ushered in the lost decades of deep recession and social dysfunction the end of the boom times should have plunged japan into irrelevance but that s precisely when its cultural clout soared when once again japan got to the future a little ahead of the rest of us hello kitty the nintendo entertainment system and entertainment empires like pokémon and dragon ball z were more than marketing hits artfully packaged dangerously cute and dizzyingly fun these products made japan the forge of the world s fantasies and gave us new tools for coping with trying times they also transformed us as we consumed them connecting as well as isolating us in new ways opening vistas of imagination and pathways to revolution through the stories of an indelible group of artists geniuses and oddballs pure invention reveals how japanese ingenuity remade global culture and may have created modern life as we know it it s japan s world we re just gaming texting singing and dreaming in it

japanese popular culture has been steadily increasing in visibility both in asia and beyond in recent years this book examines japanese popular music exploring its historical development technology business and production aspects audiences and language and culture based both on extensive textual and aural analysis and on anthropological fieldwork it provides a wealth of detail finding differences as well as similarities between the japanese and western pop music scenes carolyn stevens shows how japanese popular music has responded over time to japan s relationship to the west in the post war era gradually growing in independence from the political and cultural hegemonic presence of america similarly the volume explores the ways in which the japanese artist

has grown in independence vis à vis his/her role in the production process and examines in detail the increasingly important role of the *jimusho* or the entertainment management agency where many individual artists and music industry professionals make decisions about how the product is delivered to the public it also discusses the connections to Japanese television film print and internet thereby providing through pop music a key to understanding much of Japanese popular culture more widely

Japanese popular culture and globalization is the only concise overview of Japan's phenomenal impact on world pop culture available in English surveying Japanese forms from anime animation and manga comic books to monster movies and Hello Kitty products this volume is an accessible introduction to Japan's pop creativity and its appeal worldwide written in an accessible style and illustrated with more than 20 photographs Japanese popular culture and globalization combines a historical approach to the evolution and diffusion of Japanese pop with interdisciplinary perspectives from anthropology literary studies political science and the visual arts includes a useful glossary of terms and a bibliography of recommended readings

born out of the editor's inability to find a suitable book for teaching the subject this is a welcome title a fine contribution in a field where works in English are seriously lacking choice the handbook of Japanese popular culture provides a convenient and efficient guide to the prevalent ways of life recreations and artistic creations of contemporary Japan designed for the general reader as well as the specialist in Japanese culture the areas explored are those that have proven to be of durable interest to the Japanese such as sports science fiction and popular music as well as passing fads and fancies the extremely readable essays contributed by specialists in the field provide a wealth of interesting information including a survey of the historical development of the topic under discussion with special attention paid to the most useful published works in the field followed by a guide to the research collections and reference works that should be consulted by those wishing to deepen their knowledge of the subject exploring the most salient aspects of Japanese popular culture the chapters include such topics as popular architecture new religions popular performing arts film television comics and mystery literature the editor's introduction suggests that the study of popular culture as a discipline with its own unique subject matter and methodology represents a form of protest against the concept of culture as a selective tradition

consisting of the best that has been thought and said this comprehensive survey of japanese popular culture will be an essential addition to all libraries and a useful resource in the study of popular culture sociology japanese history and culture humanities communications and journalism

an examination of the increased presence of japanese media and popular culture in the rest of asia and the way it has transformed japanese self understanding

with its stunning photographs this book is a fascinating colorful glimpse into the design and pop culture of tokyo

this collection features examinations of popular culture including manga music film cosplay and literature among other topics using interdisciplinary sources and analyses this collection adds to the global discussion and relevancy of japanese popular culture this collection serves to highlight the work of multidisciplinary scholars who offer fresh perspectives of ongoing cross cultural and cyclical influences that are commonly found between the us and japan notably this collection considers the relationships that have influenced japanese popular culture and how this has in turn influenced the western world

japanese popular culture is constantly evolving in the face of internal and external influence popular culture globalization and japan examines this evolution from a new and challenging perspective by focusing on the movements of popular culture into and out of japan taking a multidisciplinary approach the book argues that a key factor behind the changing nature of japanese popular culture lies in its engagement with globalization essays from a team of leading international scholars illustrate this crucial interaction between the flows of japanese popular culture and the constant development of globalization drawing on rich empirical content this book looks at japanese popular culture as it traverses international borders flowing out through such forms as manga consumption in new zealand and flowing in through such forms as foreigners writing about japan in japanese and how american influences affected the formation of japan s gay identity presenting current confronting and sometimes controversial insights into the many forms of japanese popular culture emerging within this global context popular culture globalization and japan will make essential

reading for those working in japanese studies cultural studies and international relations

following the opening of japan its early popular culture with colour woodcuts by the likes of hokusai and kuniyoshi has achieved worldwide fame and with manga and anime japan s contemporary pop culture has also conquered the world woodcuts and woodblock printed books by famous ukiyo e artists meet up with mass media comics and animated films from modern japan page 4 of cover
